VELUX A/S, Ådalsvej 99, DK-2970 Hørsholm CVR-no. 30003519

When installing VELUX Modular Skylights the customer must make sure to meet applicable building and fire requirements. The sub construction as shown in the drawing only represents the principles thereof and must be designed and dimensioned to fit the specific building project, local architectural style and practice, and the directions of other building suppliers. VELUX shall not be liable for the drawing and the constructional quality of the installation. Please contact VELUX for technical specifications of VELUX Modular Skylights including dimensions of the specified pane.
